Vineyard Site
This steep 62 hectare (153 acres) south- to south-east facing site features a distinctive geological melange rare on the Mosel, with reddish, stone-rich soil comprised in large part of weathered volcanic rhyolite and conglomerates. Due to this unusual soil, wines from the Ürziger Würzgarten display an especially fine piquancy. They are full-fruited, splendidly mouth-filling, with fine acid-interplay and clear structure.

Vinification
The grapes were harvested in October, gently crushed, and given several hours of skin contact to extract aroma and minerals. The must fermented spontaneously and slowly at low temperature so that the complex fruit aroma could develop perfectly. Subsequently, the wine was carefully matured on its lees for an extended period in stainless steel and wooden barrels.

Tasting Note
The 2022 Riesling Ürziger Würzgarten Kabinett (White Capsule) opens sensual and pure, with beautiful terroir aromas that are refined by red slate and herbal notes as well as perfectly ripe and elegant tropical fruit but also unique salinity. Round, lush and filigreed on the palate, with the Kabinett-typical transparency, this is a mouth-filling and stimulatingly mouthwatering Würzgarten Kabi that is, in the right moments, irresistible and pretty complex for a wine that comes in with 10% stated alcohol. Natural cork. Tasted at the domaine in August 2024. Drink Date: 2024-2034 (S. Reinhardt – Wine Advocate)

Serving Temperature
10°C
